<b>Website</b>	<a href="http://www.fruitguys.com">www.fruitguys.com</a>

***What it does:***

Distributes seasonal fruit from local farms to thousands of businesses, including Wells Fargo, Yahoo, and Yamaha.

***Why it's growing:***

With the cost of health-care rising, employers and human-resource managers are becoming more aware of work-site wellness programs, including healthier dietary options for employees.

***What's noteworthy:***

As part of its ongoing community-outreach program, the company recently donated 48,000 honeybees to a farmer in California.
